Postdoctoral Associate Benefits Guide

2023
Welcome!

Welcome to the College of Medicine at the University of Florida!

This guide has been designed to assist our Postdoctoral Associates with understanding the rich benefit programs that the State of Florida, University of Florida, and College of Medicine (COM) has to offer. If you have any questions at any point in your career with UF COM, please contact our UF COM Human Resources Team. We are here to assist you!

Postdoctoral Associates are eligible to participate in the benefit programs offered by both the University of Florida and the State of Florida. Enrollment in insurance programs is not automatic; you must enroll within 60 days of your hire date to be covered.

If you currently hold a position which is benefits eligible, you may be unable to make any adjustments until the annual open enrollment period (typically occurs in the fall of each year). Details about benefits may be obtained by scheduling an appointment with our team. If you have a qualifying status change (QSC) such as birth of a child, marriage, divorce, etc., please email HR@comfs.ufl.edu for assistance.

The Options plan offers you two network tier options.

Tier 1 benefits are services you receive from the GatorCare Network, which includes hospitals, physicians and providers in Gainesville and Jacksonville. Tier 1 benefits offer the best value, with lower deductibles and out-of-pocket costs.

Tier 2 benefits apply when you receive services from Florida Blue’s Network BlueOptions providers, which typically result in higher out-of-pocket costs. When using Tiers 1 and 2 for wellness and preventive care, annual physicals and labs are offered with no out-of-pocket expense to you.

For additional information, review the plan documents at https://gatorcare.org/options/

**Step 1: Log in to the myUFL System**
Visit the myUFL system at my.ufl.edu. Enter your Gatorlink username and password. After you log into the portal, use the following navigation:
Main Menu > My Self Service > Benefits > Benefits Enrollment

**Step 2: Access Your Open Event**
Click the Select button next to the open event (i.e. new hire, marriage, birth, etc.). Elections must be completed within 60 days from your event date which is displayed on the page. In the fall, an event for Open Enrollment will also be made available. Elections made during Open Enrollment are effective January 1.

**Step 3: Select Your Benefits**
Click the Edit button next to each plan to review your coverage options and to add or remove dependents/beneficiaries if applicable. The "Election Summary" section displayed at the bottom of the page reflects any plan selections you make, along with the total biweekly costs.

**Step 4: Add Dependent/Beneficiary Information**
Select a plan to add or remove dependent information. For security, UF’s Privacy Office requires validation of your SSN and date of birth to complete the entry. On the dependent page you must enter the date of birth and SSN for each dependent, along with the required fields indicated by an asterisk. On life plans, your beneficiaries do not need the SSN. Missing dependent information will delay your coverage.

**Step 5: Select Dependent Coverage / Assign Beneficiaries**
After adding dependents, follow the hyperlinks on each page to return to your Enrollment Session. From the Dependent/Beneficiary list, you MUST select each person in order to enroll them in coverage or assign them as a beneficiary. Click the Update Elections button to store your selections and return to the Enrollment Summary page to review other plan options.

**Step 6: Submit Your Enrollment Selections**
Verify that your benefit selections are complete and accurate. Finalize your enrollment by clicking the Submit button. Coverage is assigned to begin on your event date (See Step 2). Once you click Submit, your elections are final and no other changes can be made.

You should not attempt to use coverage until you receive your member ID card from the carrier. Please note, you can save your progress by clicking the Update Elections button. After you click the Submit button, your selections are final and can only be changed during Open Enrollment or if you have a Qualified Event.
Note: Certain web browsers are not supported on this site. Disable the pop up blocker on your browser before you begin.

Step 2: Enter your ID & password.  
Upon hire, People First will mail you an ID number once you are in the UF payroll system. Current employees should use the ID issued. If you have not established a password before use:  
- The letters “PF” and your date of birth (MMDDYY)  
- Example: Date of birth is August 15, 1967 use -- Pf081567

Step 3: Change your password & complete three security questions. Click the “Save and Logon” button to proceed with enrollment.  
Click on the People First Password Guidelines link and review. Passwords must follow the delineated criteria to be approved.

Step 4: Select Change My Benefits link to begin your enrollment. You may view your benefits summary, premium history, dependent information, etc. by accessing the links on this page any time during the year.

Step 5: Select your qualifying event. This screen displays your event (hire, open enrollment, etc.) and your deadline to enroll in benefits.

Step 6: The next few screens allow you to register/validate eligible dependents if applicable. Name, birth date, social security number, etc. are required for each entry. This list is used later to attach dependents onto your plans. Detailed instructions can be found in the People First—Dependent Certification Process guide. (If enrolling in individual coverage skip this section and go to the next step).

Step 7: Click Add to select a plan or Cancel to remove a plan. Select dependents for each plan if applicable.

Step 8: Verify your selections and any dependents if added. Coverage is assigned based on the payroll cycle. Health is the only plan that provides an option to request an earlier coverage date for new hires.

Step 9: Enter your password and click the Complete Enrollment button to finalize your elections. No other changes are permitted until the next open enrollment period or if you have a qualified event. Print the confirmation sheet for your records.

Note: You should not attempt to use coverage until you receive your member cards from the provider.
